### WORK EXPERIENCE

**UX Designer**

Carestream Dental – Atlanta, GA

Apr 2022 – Feb 2024

- **Doubled Annual Recurring Revenue (ARR)** and **user base** of Sensei Cloud through my contributions on features like Family Billing that saved users **32** clicks, and almost **2** minutes per family billed.
- **Drove research, brainstorming, design, and testing** of **12+** Sensei Cloud features. Translated complex **B2B** SaaS product requirements into simple, intuitive user flows while collaborating with product managers, developers, quality assurance, and UX team members.
- **Designed seamless, non-modal window in UI**, eliminating unnecessary context switching and minimizing clicks, platform-wide, improving note-writing efficiency by **50%**.
- **Built and managed component library**, and **design system**, boosting build efficiency by **40%**.
- **Resolved 25+ critical customer pain points** uncovered by launching continuous discovery program.

**UX/UI Designer**

Mar 2022- May 2022

**Tech for Campaigns – San Francisco, CA**

- **Spearheaded UX/UI vision and strategy**, research, and responsive web design for Matt Kolezar's reelection website. leading to his successful win in Michigan's 22nd House district.
- **Collaborated with cross-functional team** and key stakeholders to deliver one week ahead of schedule.
- **Improved website functionality** by adopting mobile-first design principles and accessibility standards, resulting in optimal user experience.
- **Boosted donation likelihood by 40%** through a blend of user-centric design and platform functionality, validated effectiveness with usability testing.

**UX Designer**

Dec 2018 – Dec 2021

**Spotlight Sound Studio – Alpharetta, GA**

- **Managed end-to-end product development**, led cross-functional teams, monitored project milestones, and incorporated customer feedback for major clients like Whole Foods Market, Hitt Contracting, and DHL.
- **Conducted research, designed, and tested a one-of-a-kind eCommerce website** that generated over **\$1M** in revenue.

**Producer | Founder**

Dec 2005 – Dec 2018

**Spotlight Sound Studio – Alpharetta, GA**

- **Founded Apple-certified production studio** and grew it into the "Best Recording Studio in Alpharetta" for 4 straight years.
- **Acted as CEO**, overseeing day-to-day business operations, including project planning, scoping, scheduling, and client interactions.
- **Led engineering of Chantae Cann's album Sol Empowered**, which reached **#8** on the Billboard charts.
