EXPERIENCE

UX Designer

Apr 2022 - present

CareStream Dental

- Created a family billing feature that saves users 37 clicks, 9 keystrokes, and 1 minute and 52 seconds per family, on average. Saving our customers millions in labor costs.
- Booked and led user interviews to discover customer pain points and validate product solutions.
- Collected and synthesized user feedback with UX and my cross-functional teams.
- Led technical conversation with developers to ensure the feasibility of designs.
- Created interactive prototypes and led usability testing sessions, including A/B testing.
- Built Sensei Cloud's site map, contributed to feature prioritization, and worked on two Scrum teams.
- Interviewed and mentored colleagues, helping to grow our UX team from one to five members.
- Set design standards while building out Sensei Cloud's component library and design system.
- Led competitive research, analyzing and comparing product features, influencing prioritization.

UX/UI Designer

Mar 2022 - April 2022

Tech for Campaigns

- Remotely collaborated with a cross-functional team to design an intuitive and compelling website for Matt Koleszar, helping him win his campaign for Michigan's 22nd House district.

Sound Designer, Producer, Founder

Dec 2005 - Dec 2021

Spotlight Sound Studio, Alpharetta, GA

- Voted "Best Recording Studio in Alpharetta" 4 years in a row and generated over \$1M in revenue.
- Managed multimedia projects for clients such as Whole Foods Market, Hitt Contracting, and DHL.
- Recorded the National Hall of Famer, Chipper Jones for his audiobook Ballplayer. Earned 4.8 stars on Audible.
- Engineered, mixed, and mastered Chantae Cann's album Sol Empowered, which reached #8 on the American Billboard charts.
